Humanizing the Economy: Co-operatives in the Age of Capital John Restakis

At the close of the twentieth century, corporate capitalism extended its reach over the globe. While its defenders argue that globalization is the only way forward for modern, democratic societies, the spread of this system is failing to meet even the most basic needs of billions of individuals around the world. Moreover, the entrenchment of this free market system is undermining the foundations of healthy societies, caring communities, and personal well-being.

Humanizing the Economy shows how cooperative models for economic and social development can create a more equitable, just, and humane future. With over eight hundred million members in eighty-five countries and a long history linking economic to social values, the cooperative movement is the most powerful grassroots movement in the world. Its future as an alternative to corporate capitalism is explored through a wide range of real-world examples including:

- Emilia Romagna's co-operative economy of Northern Italy
- Argentina's recovered factory movement
- Japan's consumer and health cooperatives

Highlighting the hopes and struggles of everyday people seeking to make their world a better place, *Humanizing the Economy* is essential reading for anyone who cares about the reform of economics, globalization, and social justice.

It means that, science book or encyclopedia or other people. So , how do you think about this e-book?

Barbara Figueroa:

Reading a e-book tends to be new life style with this era globalization. With reading you can get a lot of information that may give you benefit in your life. With book everyone in this world can share their idea. Guides can also inspire a lot of people. A great deal of author can inspire their reader with their story or perhaps their experience. Not only the storyline that share in the ebooks. But also they write about advantage about something that you need case in point. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book which exist now. The authors on earth always try to improve their skill in writing, they also doing some analysis before they write for their book. One of them is this Humanizing the Economy: Co-operatives in the Age of Capital.

Rhonda Lanham:

As a pupil exactly feel bored in order to reading. If their teacher asked them to go to the library or to make summary for some reserve, they are complained. Just little students that has reading's spirit or real their leisure activity. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading very seriously. Any students feel that studying is not important, boring along with can't see colorful images on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Humanizing the Economy: Co-operatives in the Age of Capital can make you really feel

more interested to read.
