Knits for Real People: Fitting and Sewing Fashion Knit Fabrics (Sewing for Real People series) Susan Neall, Pati Palmer

Unsure how to sew the new knits so they'll look great and fit better than ready-to-wear? *Knits for Real People* helps readers sort out the differences in fabric types and explains the fitting and sewing techniques for each. Photographs of knit fashions from McCall's, Vogue, and Butterick pattern companies provide inspiration throughout the book and illustrate the many types of knits. The many techniques explained include: layout, cutting, and marking; seaming techniques using sewing machines and sergers, including the use of the differential feed feature; creative embellishments, including piping, flounces, "peepers," and decorative serging; neckline and edge finishes, including bands, collars, and bindings; sleeves, hems and closures; and fitting techniques for tops, pants, and activewear. Knit fabrics are very popular in fabric stores and this book helps people take advantage by teaching how to fit patterns for this versatile material.
