Quincy Scott J. Lawson

Situated among the forests and lakes of northeastern California where the Sierra Nevada and Cascade mountain ranges meet, the town of Quincy is both picturesque and steeped in local history—from the Maidu Native Americans who first lived in the American Valley now called Quincy to the flood of people who came in the mid-1800s searching for gold. Quincy was born when Hugh J. Bradley, who helped organized Plumas County in 1854, laid out the town and named it after his home city in Illinois. Now the county's seat of government, Quincy boasts many attractive downtown buildings that have become the focus of the community's historic preservation and restoration efforts.
