The Great Brain

John D. Fitzgerald

The Great Brain John D. Fitzgerald

Ten-year-old Tom D. Fitzgerald is known to everyone as The Great Brain. J.D., The Great Brain's sometimes confounded but always-admiring younger brother, tells his story. Such people as Mr. Standish, the mean schoolmaster, regret the day they came up against The Great Brain. But others, like the Jensen kids lost in Skeleton Cave, Basil, the Greek kid, or Andy, who has lost his leg and his friends, know that Tom's great brain never fails to find a way home.
