Too Much to Ask: Black Women in the Era of Integration (Gender and American Culture)

Elizabeth Higginbotham

Too Much to Ask: Black Women in the Era of Integration (Gender and American Culture) Elizabeth Higginbotham

In the 1960s, increasing numbers of African American students entered predominantly White colleges and universities in the northern and western United States. *Too Much to Ask* focuses on the women of this pioneering generation, examining their educational strategies and experiences and exploring how social class, family upbringing, and expectations--their own and others'--prepared them to achieve in an often hostile setting.

Drawing on extensive questionnaires and in-depth interviews with Black women graduates, sociologist Elizabeth Higginbotham sketches the patterns that connected and divided the women who integrated American higher education before the era of affirmative action. Although they shared educational goals, for example, family resources to help achieve those goals varied widely according to their social class. Across class lines, however, both the middle- and working-class women Higginbotham studied noted the importance of personal initiative and perseverance in helping them to combat the institutionalized racism of elite institutions and to succeed.

Highlighting the actions Black women took to secure their own futures as well as the challenges they faced in achieving their goals, *Too Much to Ask* provides a new perspective for understanding the complexity of racial interactions in the post-civil rights era.

This publication offer you information that maybe your friend doesn't learn, by knowing more than some other make you to be great individuals. So , why hesitate? Let me have Too Much to Ask: Black Women in the Era of Integration (Gender and American Culture).

James Sirois:

As a scholar exactly feel bored for you to reading. If their teacher inquired them to go to the library or to make summary for some book, they are complained. Just very little students that has reading's heart and soul or real their interest. They just do what the trainer want, like asked to go to the library. They go to presently there but nothing reading seriously. Any students feel that reading is not important, boring and also can't see

colorful pictures on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this Too Much to Ask: Black Women in the Era of Integration (Gender and American Culture) can make you truly feel more interested to read.
