Another Kind of Cinderella and Other Stories (Bloomsbury Reader) Angela Huth

First published in 1996, this collection of stories tells of the ghost of a doomed romance haunting an Oxford undergraduate's idyllic summer affair; a tragedy of hopeless love and murderous frustration is played out against the backdrop of a provincial repertory company; passion and hatred flower side by side in suburban back gardens.

Angela Huth peoples her stories with elderly ladies living out extraordinary fantasy lives and betrayed wives wreaking subtle revenge, drawing out their secret disappointments and their dreams of glamour; she brings to this exquisite collection all the wry delicacy, subversive wit and keen eye for the drama of the quietest lives that characterise her acclaimed novels.
