## **Desert Voices** Byrd Baylor

On the hottest  
summer afternoons  
when desert creatures  
look for shade  
and stay close to the earth  
and keep their voices low  
I sit high on a cactus  
and fling  
my loud ringing trill  
out to the sun...

So sings the Cactus Wren, one of the ten desert creatures that speaks for itself in the evocative and lyrical verses of *Desert Voices*. In both text and illustration, *Desert Voices* conveys a message of spirit and courage from the shy and quiet creatures of the beautiful desert land.
