Fantagraphics is proud to present the fourth and final volume in cartoonist C.F.'s acclaimed Powr Mastrseries (previously published by Picturebox Books), and to bring the first volume back into print, so readers have an easy entry point. Powr Mastrs is a Dune-like science fiction/fantasy epic in which C.F. narrates the story of a tribe of mystical beings whose power relations are constantly in flux. As power shifts, so do physical and psychological identities. In this fourth and final volume, transmutation night takes effect as events discharge and assumptions collapse. The long-awaited conclusion to a unique series.
