*Letting go of the past to embrace the future...*

Things are changing for Marcus and Nathan, in more ways than one. Nathan is still trying to deal with the action he took in order to save Marcus' life. It isn't easy to do, and sometimes he fears he'll give in to all the doubts and fears plaguing him.

What they need is some time alone, without guards shadowing their every move, no one to interrupt. Because soon, they'll be busier than ever.

A short vacation before the annual gathering of Alpha Anaxes at the compound, that's what they decide to do. But their vacation isn't so private when they discover a wild pack of young shifters barely surviving.

Changes are coming.

A strange young shifter with abilities neither Marcus nor Nathan have ever seen before. Alpha Anaxes and attitudes. An intruder in their midst. And with the help of Shania, the pack doctor, the most important event of Marcus and Nathan's shared life is about to happen.

Changes are coming, and they're coming fast.
