An exotic wildlife preserve is a dream come true for conservation biologist Daniela Flores. Until she finds out her ex-husband is leading the research team. World-famous shark expert Sean Carmichael has only grown more ruggedly appealing in the time they were apart...the passion between them more intense than ever. But how could Daniela forgive Sean for betraying her when she needed him most?

Sean had come to the remote Farallon Islands to study killer sharks. Now a real killer is on the loose, threatening the woman he's never stopped loving. And this time, he knows he can't walk away. Marooned together during a deadly storm, Sean vows to go to hell and back to save Daniela...and for the chance to begin again.
