Terry McDonell

The Accidental Life: An Editor's Notes on Writing and Writers Terry McDonell

Terry McDonell has top-edited some of the most influential publications in American journalism. His new book pulls back the curtain on his four-decade career as an editor, journalist, and media entrepreneur, with stops at more than a dozen magazines: from the launch of *Outside* through tenures at *Rolling Stone*, *Newsweek*, *Esquire*, *Sports Illustrated*, and, most recently, cofounding the literary website LitHub.

McDonell lays out the realities between editors and writers with deadlines ticking, or with drinks on the bar. His stories about the journalists, writers, and media personalities he has known can be both heartbreaking and bitingly funny—playing “acid golf” with Hunter S. Thompson, practicing brinksmanship with David Carr and Steve Jobs, working the European fashion scene with Liz Tilberis, pitching TV pilots with Richard Price.

Here, too, is an insider’s practical advice on how to recruit—and keep—high-profile talent; how to craft a compelling lede; how to grow online traffic that translates into dollars; and how, in whatever format, on whatever platform, a good editor really works. Taking us from the raucous days of New Journalism to today’s digital landscape, McDonell argues that the demand for storytelling from trustworthy news sources keeps getting stronger.

A celebration of the pressures, obsessions, and satisfactions of a writing and editing life.
