More Than Words: Bestselling authors and real-life heroines

Every year, Harlequin's More Than Words award is given to three real-life heroines, women whose courage and vision have helped change people's lives for the better. Once again, three bestselling Harlequin authors have written stories inspired by these remarkable women.

In *You Are Here*, sixteen-year-old Jennifer Whitman wishes she could just disappear. After her father's death, her family lost everything, including their home and comfortable way of life. With the help of a local charity, they've relocated to downtown Phoenix. But Jenn has unfinished business back in Paradise Valley.

Sixty-six days ago, Jenn fell in love with seventeen-year-old cowboy William Finnigan...and then he shattered her heart. She's been avoiding him ever since. But if Jenn wants to reclaim her beloved horse, she'll have to stop running. Jenn needs to face Finn one last time so she can put her past behind her and truly start over.

Look for all three ebooks inspired by real-life heroines: *Red at Night* by Katie McGarry, *You Are Here* by Liz Fichera and *The Gift of a Good Start* by Earl Sewell.
