Autism's Hidden Blessings Kelly Langston

Kelly Langston knows firsthand the struggles and victories associated with autism--from the time she heard her son's diagnosis and was given little more than a handshake and a brochure to the time she watched her son sing every word in his school musical. Through her experiences--the good and the bad--she discovered a beautiful blessing: God does care about autism. Better yet, he has a unique and marvelous purpose for children with autism--a purpose no less than that of any other child.

More than an "I've been there too" story, Autism's Hidden Blessings highlights God's blueprint for living a life full of joy and potential despite autism. Inside, you'll discover:

- the inheritance of promises God has for you and your exceptional child
- why autism will never limit God from revealing himself to your child
- what to do when you are angry at God and how to move past it
- why love is the greatest therapy of all
- scriptural encouragement to help your family soar above the autism battle

Autism doesn't define your child and doesn't limit his or her potential. If you're weary from the everyday battle against autism, join Kelly Langston on a journey to discover and apply the plan God has for your entire family. It's time to reclaim your joy, laughter, and most of all, hope.

From reader reviews:

Donna Wood:

What do you in relation to book? It is not important along with you? Or just adding material when you want something to explain what yours problem? How about your free time? Or are you busy man? If you don't have spare time to perform others business, it is make you feel bored faster. And you have free time? What did you do? Everybody has many questions above. They have to answer that question since just their can do which. It said that about book. Book is familiar on every person. Yes, it is proper. Because start from on guardería until university need this specific Autism's Hidden Blessings to read.

Susan Swain:

Here thing why that Autism's Hidden Blessings are different and dependable to be yours. First of all reading a book is good but it depends in the content from it which is the content is as delightful as food or not. Autism's Hidden Blessings giving you information deeper since different ways, you can find any guide out there but there is no book that similar with Autism's Hidden Blessings. It gives you thrill studying journey, its open up your eyes about the thing that happened in the world which is might be can be happened around you. It is possible to bring everywhere like in area, café, or even in your means home by train. If you are having difficulties in bringing the branded book maybe the form of Autism's Hidden Blessings in e-book can be your alternative.

Stanley Hanson:

Information is provisions for people to get better life, information today can get by anyone from everywhere. The information can be a understanding or any news even an issue. What people must be consider any time those information which is inside the former life are difficult to be find than now could be taking seriously which one works to believe or which one the particular resource are convinced. If you find the unstable resource then you understand it as your main information we will see huge disadvantage for you. All those possibilities will not happen in you if you take Autism's Hidden Blessings as the daily resource information.

Shaun Richards:

As a college student exactly feel bored for you to reading. If their teacher requested them to go to the library or to make summary for some e-book, they are complained. Just tiny students that has reading's heart or real their passion. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that reading through is not important, boring and also can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this Autism's Hidden Blessings can make you really feel more interested to read.
