La guerra de los treinta años (Papeles del tiempo nº 3) (Spanish Edition)

Geoffrey Parker

La guerra de los treinta años (Papeles del tiempo nº 3) (Spanish Edition) Geoffrey Parker

Esta es una obra de vital importancia sobre la «guerra de los treinta años», posiblemente, como se ha descrito en ocasiones, la «guerra civil europea». Trata la misma desde distintos puntos de vista, hecho que podría parecer baladí pero que en realidad encierra lo que le hace imprescindible para comprender la época y el desarrollo de la misma. Describe la guerra desde los puntos de vista español, alemán, inglés, escandinavo, francés, italiano, holandés...

Guerra de ambiciones materiales y religiosas, desencuentro final de reforma y contrarreforma, luteranos, calvinistas, hugonotes, católicos, anglicanos..., una masa de poderes representados en varios de los personajes más reconocidos, tales como el conde-duque de Olivares, el cardenal Richelieu, Oxenstierna, Wallenstein, el duque de Buckingham, etc.

El libro también trata la guerra de Mantua, las campañas suecas en Polonia, así como los episodios anteriores y posteriores a la guerra por la importancia de los mismos en el devenir histórico de Europa.

Con una extensa bibliografía, elaborados mapas, ilustraciones y una exhaustiva cronología, los autores ponen en las manos del lector esta obra, segunda edición inglesa aumentada y revisada, magistralmente estructurada por partes para comprender un todo.
