## **Ray in Reverse** Daniel Wallace

"Daniel Wallace brings to his role as author wit, a subtle compassion, and an offbeat originality that begins, but certainly doesn't end, with the backward unreeling of this refreshingly savvy novel." (*The Boston Globe*)

*Regret looms large in Daniel Wallace's latest novel, Ray in Reverse, the funny and poignant story of a life, told backward. Sitting in the Last Words support group in Heaven, Ray Williams ruminates on his short life of fifty years, his episodes of infidelity, his premature marriage proposal, his sexual confusion, the dog he accidentally killed, and the baby he unwittingly saved. Ray is Everyman at his very best and his absolute worst—even he can't always tell the difference. Beginning at death and ending in his childhood, Ray in Reverse leads us back to Ray in his innocence, achieving, against all odds, a happy ending.*

### From reader reviews:

#### Carrie Grogan:

Nowadays reading books be a little more than want or need but also turn into a life style. This reading routine give you lot of advantages. Associate programs you got of course the knowledge your information inside the book this improve your knowledge and information. The knowledge you get based on what kind of publication you read, if you want have more knowledge just go with training books but if you want truly feel happy read one together with theme for entertaining for example comic or novel. The Ray in Reverse is kind of guide which is giving the reader erratic experience.

#### David Miller:

This Ray in Reverse are reliable for you who want to be considered a successful person, why. The explanation of this Ray in Reverse can be one of the great books you must have is usually giving you more than just simple looking at food but feed an individual with information that perhaps will shock your previous knowledge. This book will be handy, you can bring it almost everywhere and whenever your conditions in e-book and printed kinds. Beside that this Ray in Reverse giving you an enormous of experience for example rich vocabulary, giving you trial of critical thinking that we all know it useful in your day activity. So , let's have it and enjoy reading.

#### Maritza Kress:

Reading a reserve can be one of a lot of activity that everyone in the world enjoys. Do you like reading book so. There are a lot of reasons why people like it. First reading a guide will give you a lot of new details. When you read a publication you will get new information because book is one of numerous ways to share the information as well as their idea. Second, looking at a book will make anyone more imaginative. When you examining a book especially fictional book the author will bring that you imagine the story how the people do it anything. Third, you are able to share your knowledge to some others. When you read this Ray in Reverse, it is possible to tells your family, friends and soon about yours reserve. Your knowledge can inspire average, make them reading a reserve.

#### Homer Holmes:

Playing with family inside a park, coming to see the coastal world or hanging out with pals is thing that usually you might have done when you have spare time, subsequently why you don't try point that really opposite from that. One particular activity that make you not feeling tired but still relaxing, trilling like on roller coaster you are ride on and with addition associated with. Even you love Ray in Reverse, you are able to enjoy both. It is excellent combination right, you still need to miss it? What kind of hang type is it? Oh can occur its mind hangout people. What? Still don't obtain it, oh come on its identified as reading friends.
