TESOL: A Guide (Continuum Companions) Jun Liu, Cynthia Berger

This book serves as a comprehensive reference resource for current and prospective English language teachers, students of TESOL, academics, and other professionals working within the field of Teaching English as a Second or Other Language (TESOL).

As an essential single-volume resource, *TESOL: A Guide* explores TESOL in three dimensions: as a profession, as a field of study, and as an international association. In doing so, it offers a thorough summary of themes and issues relevant to TESOL's multiple dimensions, including a practical overview of the TESOL profession and a compendium of current TESOL research topics and methodologies. In commemoration of the 50th anniversary of TESOL International Association, a key section of the book highlights the development of this association and features the reflections of several previous TESOL International Association presidents. Readers will also appreciate the extensive glossary and appendix of TESOL resources, both of which are designed to comprise a valuable and manageable guide for newcomers to the field, as well as for developing practitioners and researchers.

From reader reviews:

Johnny Mosier:

Book is written, printed, or highlighted for everything. You can understand everything you want by a publication. Book has a different type. As it is known to us that book is important point to bring us around the world. Alongside that you can your reading expertise was fluently. A guide TESOL: A Guide (Continuum Companions) will make you to possibly be smarter. You can feel more confidence if you can know about every little thing. But some of you think that open or reading a new book make you bored. It's not make you fun. Why they can be thought like that? Have you in search of best book or suitable book with you?

Adrienne McGinnis:

As people who live in often the modest era should be upgrade about what going on or data even knowledge to make them keep up with the era that is certainly always change and move forward. Some of you maybe will probably update themselves by reading through books. It is a good choice in your case but the problems coming to an individual is you don't know what kind you should start with. This TESOL: A Guide (Continuum Companions) is our recommendation so you keep up with the world. Why, as this book serves what you want and need in this era.

Annie Adcock:

Information is provisions for people to get better life, information nowadays can get by anyone on everywhere. The information can be a understanding or any news even a problem. What people must be consider when those information which is inside the former life are challenging be find than now's taking seriously which one works to believe or which one typically the resource are convinced. If you receive the unstable resource then you get it as your main information there will be huge disadvantage for you. All those possibilities will not happen throughout you if you take TESOL: A Guide (Continuum Companions) as the daily resource information.

Sandra Leggett:

The reason why? Because this TESOL: A Guide (Continuum Companions) is an unordinary book that the inside of the reserve waiting for you to snap the idea but latter it will shock you with the secret this inside. Reading this book adjacent to it was fantastic author who also write the book in such incredible way makes the content on the inside easier to understand, entertaining means but still convey the meaning totally. So , it is good for you for not hesitating having this nowadays or you going to regret it. This book will give you a lot of benefits than the other book possess such as help improving your talent and your critical thinking way. So , still want to delay having that book? If I had been you I will go to the reserve store hurriedly.
