History is dramatic -- and the renowned, award-winning authors Christopher Collier and James Lincoln Collier demonstrate this in a compelling series aimed at young readers. Covering American history from the founding of Jamestown through present day, these volumes explore far beyond the dates and events of a historical chronicle to present a moving illumination of the ideas, opinions, attitudes and tribulations that led to the birth of this great nation.

The Civil War examines the people and events involved in the bloody war that pitted the Northern states against those that seceded to form the Confederacy. This book recounts events leading up to the war as well as to the battles themselves. The authors examine the lives & personalities of key figures, including Abraham Lincoln, Jefferson Davis, Ulysses S. Grant, and Robert E. Lee. The text is enhanced with images of art & artifacts, maps, and photographs from the era.
