Blue is the Night (The Blue Trilogy Book 3) Eoin McNamee

1949. Lance Curran is set to prosecute a young man for a brutal murder, in the 'Robert the Painter' case, one which threatens to tear society apart. In the searing July heat, corruption and justice vie as Harry Ferguson, Judge Curran's fixer, contemplates the souls of men adrift, and his own fall from grace with the beautiful and wilful Patricia. Within three years, Curran will be a judge, his nineteen year old daughter dead, at the hands of a still unknown murderer, and his wife Doris condemned to an asylum for the rest of her days.

In *Blue Is the Night*, it is Doris who finally emerges from the fog of deceit and blame to cast new light into the murder of her daughter - as McNamee once again explores and dramatizes a notorious and nefarious case.
