Christian America and the Kingdom of God

Richard T. Hughes

Christian America and the Kingdom of God Richard T. Hughes

The idea of the United States as a Christian nation is a powerful, seductive, and potentially destructive theme in American life, culture, and politics. Many fundamentalist and evangelical leaders routinely promote this notion, and millions of Americans simply assume the Christian character of the United States. And yet, as Richard T. Hughes reveals in this powerful book, the biblical vision of the "kingdom of God" stands at odds with the values and actions of an American empire that sanctions war instead of peace, promotes dominance and oppression instead of reconciliation, and exalts wealth and power instead of justice for the poor and needy. With conviction and careful consideration, Hughes reviews the myth of Christian America from its earliest history in the founding of the republic to the present day. With extensive analysis of both Christian scripture and American history, Hughes investigates the reasons why so many Americans think of the United States as a Christian nation. Timely and thought-provoking, *Christian America and the Kingdom of God* illuminates the devastating irony of a "Christian America" that so often behaves in unchristian ways.

Gary Jensen:

The book Christian America and the Kingdom of God will bring that you the new experience of reading a new book. The author style to describe the idea is very unique. If you try to find new book to study, this book very ideal to you. The book Christian America and the Kingdom of God is much recommended to you to study. You can also get the e-book from the official web site, so you can more readily to read the book.

Donna Moore:

As a college student exactly feel bored in order to reading. If their teacher asked them to go to the library or to make summary for some e-book, they are complained. Just minor students that has reading's heart and soul or real their pastime. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that studying is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this Christian America and the Kingdom of God can make you sense more interested to read.
