According to police, Megan McClain had the motive, means and opportunity to commit a double murder. Unless she can prove her innocence, she'll spend Christmas in jail. Is someone trying to frame her? Who? She starts nosing around—and uncovers not one, but two unlikely suspects. The detective working the case doesn't appreciate Megan doing his job for him. And the more Paul Wallace investigates, the guiltier Megan looks. That's because she is hiding something. Something that scares her even more than her feelings for the handsome cop.
