How We Forgot the Cold War: A Historical Journey across America Jon Wiener

Hours after the USSR collapsed in 1991, Congress began making plans to establish the official memory of the Cold War. Conservatives dominated the proceedings, spending millions to portray the conflict as a triumph of good over evil and a defeat of totalitarianism equal in significance to World War II. In this provocative book, historian Jon Wiener visits Cold War monuments, museums, and memorials across the United States to find out how the era is being remembered. The author's journey provides a history of the Cold War, one that turns many conventional notions on their heads.

In an engaging travelogue that takes readers to sites such as the life-size recreation of Berlin's "Checkpoint Charlie" at the Reagan Library, the fallout shelter display at the Smithsonian, and exhibits about "Sgt. Elvis," America's most famous Cold War veteran, Wiener discovers that the Cold War isn't being remembered. It's being forgotten. Despite an immense effort, the conservatives' monuments weren't built, their historic sites have few visitors, and many of their museums have now shifted focus to other topics. Proponents of the notion of a heroic "Cold War victory" failed; the public didn't buy the official story. Lively, readable, and well-informed, this book expands current discussions about memory and history, and raises intriguing questions about popular skepticism toward official ideology.

William Henslee:

Spent a free time and energy to be fun activity to do! A lot of people spent their down time with their family, or their friends. Usually they performing activity like watching television, going to beach, or picnic inside park. They actually doing same every week. Do you feel it? Do you want to something different to fill your own free time/ holiday? Could possibly be reading a book is usually option to fill your no cost time/ holiday. The first thing you ask may be what kinds of e-book that you should read. If you want to try out look for book, may be the publication untitled How We Forgot the Cold War: A Historical Journey across America can be excellent book to read. May be it can be best activity to you.

Nancy Bowers:

As a student exactly feel bored for you to reading. If their teacher questioned them to go to the library or to make summary for some reserve, they are complained. Just minor students that has reading's heart and soul or real their interest. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that reading is not important, boring as well as can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this How We Forgot the Cold War: A Historical Journey across America can make you feel more interested to read.
