Il libro di matematica: volume 1 (Italian Edition)

Simone Malacrida

Il libro di matematica: volume 1 (Italian Edition) Simone Malacrida

In questo libro è presentata la maggior parte della matematica, partendo dai concetti basilari ed elementari, fino a sondare i settori più complessi e avanzati. La matematica è affrontata sia dal punto di vista teorico, esponendo i teoremi e le definizioni di ogni particolare tipologia, sia a livello pratico, andando a risolvere oltre 1'000 esercizi. L'approccio alla matematica è dato da una conoscenza progressiva, esponendo i vari capitoli in ordine logico di modo che il lettore possa costruire un percorso continuo nello studio di tale scienza. L'intero libro è suddiviso in tre distinte sezioni: la matematica elementare, quella avanzata data dall'analisi e dalla geometria ed infine la parte riguardante la statistica, l'algebra e la logica. Lo scritto si pone come opera omnicomprensiva riguardo la matematica, non tralasciando alcun aspetto delle molteplici sfaccettature che essa può assumere.
