Along the way, Louis has an incredible adventure including a big party with the musical Kattathons, swimming with fruit eating river sharks and dodging creatures on the Astrapios Glacier. But there is not much time to enjoy the wonderful spectacles of Spalenia, as the imperial coronation ceremony is only a few moon cycles away. In order to complete the mission, Louis must evade armies, spies and assassins and survive a final showdown with Lord Roga at Kappodeimos. Louis never thought of himself as much of a hero. In the beginning he thinks he has taken on more than he can handle. However, as events unfold and with a little timely encouragement from some friends, he learns to think of others and to trust his abilities. Most of all, he starts to believe in himself, which is just as well, because this is the time for a descendant of Zeus.
