Pediatric Cardiology Board Review is an academic dividend of the popular Pediatric Cardiology Review biannual course that was started by Dr. Chang and Dr. Eidem. The book contains over 875 questions & answers and is geared toward pediatric cardiologists taking the boards or maintenance of certification, pediatricians, and cardiologists interested in freshening their skills. It provides hundreds of questions relating to the diagnosis and treatment of the fetus, infant, child, and adult with congenital heart diseases. The answers provide full explanations to the questions so you know where to best focus your area of study.

Put your knowledge to the test today! This is an eBook version which does not include access to the supplemental online content mentioned in the text.
