## **The Blog at the End of the World** Paul Tremblay

In this ChiZine Short Story Contest-winning tale, a blog documents society's slow, unexplained but inexorable end, or is it only a collection of pixel-sized paranoia? From Paul Tremblay's *In the Mean Time*, this tale is one of fifteen "finely crafted" (Locus Magazine) stories of fear and paranoia, stories of apocalypses both societal and personal, and stories of longing and coping.

ChiZine Publications (CZP) curates the best of the bizarre, bringing you the most excitingly weird, subtle, dark, and disturbing literary fiction. Look for more titles in the ChiZine short stories collection to build your digital library.
