Cy Young: A Baseball Life

Reed Browning

Cy Young: A Baseball Life Reed Browning

He was the winner of 511 major league baseball games, nearly a hundred more than any other pitcher. He threw three no-hitters, including the first perfect game in the new American League. He was among the original twelve players inducted into baseball's Hall of Fame, and his name is now attached to the game's most prestigious pitching award. Yet for all his accomplishments, Cy Young remains to most baseball fans a legendary but little known figure.

In this book, Reed Browning re-creates the life of Denton True "Cyclone" Young and places his story in the context of a rapidly changing turn-of-the-century America. Born in rural Ohio, the son of a Civil War veteran, Young learned his trade at a time when only underhand pitching was permitted. When he began his professional career in 1890, pitchers wore no gloves and stood five feet closer to the batter than they do today. By the time he retired in 1911, the game of baseball had evolved into its modern form and claimed unquestioned status as America's "national pastime."

As Browning shows, Young's extraordinary mastery of his craft owed much to his ability to adapt to the changing nature of the game. Endowed with an exceptional fastball, he gradually developed a wide array of deliveries and pitches -- all of which he could throw with astonishing control. Yet his success can also be attributed, at least in part, to the rustic values of loyalty, hard work, and fair play that he embraced and embodied, and for which he became renowned among baseball fans of his day.

Do you want to try this extraordinary wasting spare time activity?

Estela Gillard:

As a pupil exactly feel bored to be able to reading. If their teacher questioned them to go to the library in order to make summary for some e-book, they are complained. Just very little students that has reading's heart or real their pastime. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that studying is not important, boring in addition to can't see colorful images on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this Cy Young: A Baseball Life can make you feel more interested to read.
