Feng Shui: Seeing Is Believing: Essential Geomancy for Beginners and Skeptics Jampa Ludrup

In this pithy and practical handbook, Ven. Jampa Ludrup lays out the fundamentals of feng shui without any of the opaque mysticism that sometimes clouds the practice. "The aim of this book," he writes, "is to help you have more happiness in your life." Through his easy-to-understand instructions, diagrams, and photos, Ludrup illustrates how simple alterations to the layout of your home can vastly improve specific areas of your life—romance, prosperity, health, or whatever is troubling you. With nothing more than this book and a good compass, you can rearrange your house, your fortune, and your life.

The book comes with a handy pocket-sized chart that you can carry with you to job interviews or first dates - any important events - so that you can be confident that you will be able to achieve the best possible outcome.
