Have you ever wondered what the Ancient Greeks believed about time? Have you ever considered what the Ancient Greeks believe existed before the universe came into being? These questions, and many more, will be covered in this book that deals with the mysteries of Ancient Greek mythology. The first book in this series looked at some of the key figures in ancient Greek mythology, this book provides a more in-depth study into two specific elements of ancient Greek mythology: the personification of chaos and time. We will look at Chronos – the god of time – and what his role was in wider mythology.
