Hitler: Beyond Evil and Tyranny R. H. S. Stolfi

This fascinating and richly detailed new biography of Hitler reinterprets the known facts about the Nazi Fuehrer to construct a convincing, realistic portrait of the man. In place of the hollow shell others have made into an icon of evil, the author sees a complex, nuanced personality. Without in any way glorifying its subject, this unique revision of the historical Hitler brings us closer to understanding a pivotal personality of the twentieth century.
