## **Teeny Tiny** Jill Bennett

When the teeny tiny woman goes for a walk, she comes upon a teeny tiny bone that's perfect for making soup. Little does she know that the ghostly owners of the bone will follow her home for a teeny tiny bit of terror! The rhythmic words are wonderful for reading aloud, and dePaola's illustrations are colorful, cheerful and childlike. --*Publishers Weekly* The repetitive pattern of the words and naive simplicity of the pictures should make the book popular with very young children. --*Horn Book*
