The Wisdom of Your Face Jean Haner

What if you could tell, just by looking at others, how they tend to think, feel, and behave? What if your partner's face revealed the best way to resolve any conflicts between you? And what if you could discover in your own face the wisdom that you need in order to be the best you you can be? Based on the same ancient foundation as acupuncture and Chinese medicine, face reading has been in the "research and development" phase for over 3,000 years. When translated to make it meaningful for our Western lives, it's a powerful source of wisdom that we can all access. Chinese face reading shows you how to live your life in alignment with your own natural flow, find the life path that gives you joy, attract relationships that nurture you, and most of all, enable you to feel compassion for yourself and others. This book will forever change how you see yourself . . . and all the people in your life!
