Auto Legends: Classics of Style and Design Robert Cumberford

The cars are presented chronologically in a succession of seductive photographs by Michel Zumbrunn, widely recognized as one of the best car photographers working today. The combination of general views, taken from a variety of angles, and numerous close-ups of exquisite detailing allows the reader to appreciate fully these masterpieces of the car designer's art. Each entry is accompanied by a vivid commentary by Robert Cumberford, a car designer and renowned motoring journalist, who shares his astounding knowledge with the reader in order to highlight the history and essential design features of each vehicle.

An illuminating introduction traces the development of styling trends and influences, while brief biographies of the most innovative designers from the last one hundred years and a full technical glossary are also included. The book concludes with a directory of museums and public collections around the world where examples of the featured cars may be seen.
