## Big Sky Rancher (New Montana Mavericks Book 1) Carolyn Davidson

Lucas O'Reilly did things *his* way...and as founder and mayor of Thunder Canyon, he answered to no one—he liked it that way. Except lately, now that he owned one of the bigger spreads, and richer mines, under the wide Montana sky, he'd been thinking a wife would be nice. Maybe an agreeable little woman to brighten his house—and warm his bed. A mail-order bride would be one special delivery, he decides. But what he got instead was a surprise package with a firecracker inside named Jennifer Alston. Sassy and opinionated, she was *not* what he'd expected—but *exactly* what he needed, in spite of himself!
