When you've run from the past, you have to stand and face the future ... Dara, her brother Jaran and their cousin Eyna have grown up among the Clan; their lives are peaceful as they eke out an existence in the towering forest below their escarpment home. But when the ghosts of a dead civilisation reach out to haunt them one final time, they and their family must set out, on an unmapped path across a dying land. Walking daywards, always into the sun. Daywards is the highly anticipated conclusion to a powerful trilogy from award-winning author Anthony Eaton.
