Companion Operation by L.A. Day Jewel betrayed Reece, the only man she ever loved, by confessing to a murder she didn't commit. Sentenced to life on a desolate prison colony, she's offered an alternative—sexual companion on a space mission. The man who will use her body for the next five years? Reece. And contempt has replaced the love in his eyes. Gothic Master by Request by Isabelle Drake Bound and naked in a training Master's bed, Lorelai struggles to forget her sexually disappointing past. When she fails to convince the cloaked man to untie her, she challenges him to teach her something new. Will the Master and his red velvet bag of training tools help her accept her passionate appetites? Hotter Than Hell by Regina Carlysle Ellie Grant's friendship with Sam Dare is about to change. The sexy fireman has challenged her to a weekend of no-holds-barred sex. Sam is tired of waiting for Ellie to notice the attraction between them. As a firefighter, he knows a little something about heat. As far as he's concerned, Ellie is the only woman who can make him burn. Nadia Seduced by Madison Hayes Eighteenth-century women belong to their husbands, but Nadia is determined to keep her independence. Until she meets tall, dark and dangerously handsome Mikhail, who's equally determined to convince Nadia to face her greatest fear—allowing him to possess her heart as thoroughly as he's claimed her body. Silent Abandon by Aubrey Ross Devastated by betrayal, Starla is unwilling to risk heartbreak again. She hides behind a fictitious persona and arranges a purely sexual rendezvous with a coworker she's been attracted to for years. But Cole knows her true identity, and the reason for her fear. He'll fulfill her every fantasy...then work on mending her broken heart. Stick Up by Brigit Zahara The thermostat at the bank where Monica works is on the fritz again. Just when she thinks it can't get any hotter, a pistol-packing stud slides her a note. He demands money while his sexy smirk demands her body's response. Then the robber and his partner take her hostage and retreat to a hideout—and the situation really heats up.
