We know that music builds brainpower. The Ready to Rock Kids series also builds social and emotional skills while supporting character education. Upbeat, inviting songs by a child psychologist and award-winning songwriter teach positive thinking, respect, responsibility, including everyone, good manners, friendship, self-esteem, best effort, honesty, kindness, and more. As kids bop to the beat, they don't even know they're learning! The songs are musically sophisticated and professionally produced; adults will enjoy them, too.

In *Ready to Rock Kids Volume 3*, twelve original songs teach and reinforce honesty, kindness, self-esteem, feelings, communication, positive thinking, overcoming fears, and celebrating diversity.
