Las jóvenes afganas (Spanish Edition) Hossein Fayaz Torshizi

Presentación

"Las jóvenes afganas" narra el encuentro de un mercader de alfombras de origen iraní y Azar, una joven afgana de Herat, sucedido durante la invasión soviética de Afganistán en los años ochenta.

Hossein, el mercader, vuelve a su país de origen para visitar a sus familiares y para comprar alfombras que revenderá en Italia, país en el que vive desde finales de los años sesenta. A su llegada descubre que además de las alfombras con decoraciones tradicionales, están circulando en el mercado algunas alfombras con decoraciones nunca antes vistas. Intrigado por las descripciones, empieza a buscarlas. Con este motivo llegará a Dogharon, el campo de refugiados iraní en la frontera afgana donde se encuentran cientos de afganos tras la invasión rusa.

En el campo conocerá a Arash, el jefe del clan afgano de los Kuroshi de Do-Ab, a su joven hija Azar y a otras muchachas: la jovencísima Neda, la tejedora Ozra que le contará la increíble historia de Najibe, una niña de once años que se verá arrastrada con su madre desde el palacio presidencial a la cárcel.

Comprará de Azar y Ozra sus 'alfombras narradoras', tejidas con símbolos que hablan de su dolorosa historia personal y general al pueblo afgano.

La sabia traducción en español por parte de Patricia García González de la segunda edición de "Las jóvenes afganas" se ha visto enriquecida con la inclusión de mapas, fotos y la actualización de la Cronología histórica que, acompañando a la historia, cuenta con otros tres sobresalientes capítulos finales: "Glosario de terminología persa (farsi dari) usada en la historia", "Cronología de los hechos históricos más importantes sucedidos en Irán y Afganistán, desde 1499 al 2015" y "Una conversación con Hossein Fayaz".

From reader reviews:

Eunice Buckley:

Nowadays reading books be than want or need but also become a life style. This reading habit give you lot of advantages. The benefits you got of course the knowledge the actual information inside the book which improve your knowledge and information. The knowledge you get based on what kind of book you read, if you want drive more knowledge just go with education books but if you want experience happy read one using theme for entertaining including comic or novel. The Las jóvenes afganas (Spanish Edition) is kind of publication which is giving the reader unstable experience.

Ira Knudsen:

A lot of people always spent all their free time to vacation or even go to the outside with them family or their friend. Are you aware? Many a lot of people spent they free time just watching TV, or perhaps playing video games all day long. If you wish to try to find a new activity this is look different you can read a book. It is really fun for yourself. If you enjoy the book which you read you can spent all day long to reading a publication. The book Las jóvenes afganas (Spanish Edition) it doesn't matter what good to read. There are a lot of folks that recommended this book. They were enjoying reading this book. When you did not have enough space to develop this book you can buy the actual e-book. You can m0ore simply to read this book from your smart phone. The price is not to cover but this book has high quality.

Christopher Sanchez:

That e-book can make you to feel relax. That book Las jóvenes afganas (Spanish Edition) was bright colored and of course has pictures on the website. As we know that book Las jóvenes afganas (Spanish Edition) has many kinds or style. Start from kids until teenagers. For example Naruto or Private investigator Conan you can read and think you are the character on there. Therefore not at all of book tend to be make you bored, any it offers up you feel happy, fun and relax. Try to choose the best book for you and try to like reading that will.

Willie McCall:

What is your hobby? Have you heard that will question when you got college students? We believe that that issue was given by teacher to the students. Many kinds of hobby, Every individual has different hobby. And you also know that little person including reading or as reading through become their hobby. You have to know that reading is very important as well as book as to be the point. Book is important thing to incorporate you knowledge, except your personal teacher or lecturer. You discover good news or update regarding something by book. Amount types of books that can you decide to try be your object. One of them are these claims Las jóvenes afganas (Spanish Edition).
