Praise for the Hew Cullan mysteries: 'WONDERFUL STUFF' Good Book Guide 'WELL WRITTEN, UNUSUAL AND ENTERTAINING' Allan Massie 'SUPERIOR HISTORICAL THRILLER' The Herald 'CHARMS THE READER' Scotland on Sunday 1587. After three long years, exiled from home and family, and drawn into the depths of the London underworld under the tutelage of Elizabeth I's spymaster Francis Walsingham, Hew returns to Scotland with his new English wife Frances. The execution of Mary, Queen of Scots has unleashed a torrent of anti-English sentiment in the Scottish people and fear in King James VI, jeopardising Hew's now unlawful marriage. However, the king invites Hew to investigate the perplexing meaning of a death's head painting that has come into his possession. What does it symbolise, and is it a message from his dead mother? And are the local painters all that they appear? If Hew solves the mystery, his marriage to Frances will be blessed. The stakes have never been higher as he embarks on a quest for love and life. Queen & Country is the fifth Hew Cullan mystery.

#### **Mark Guerrero:**

As a college student exactly feel bored to be able to reading. If their teacher questioned them to go to the library or even make summary for some guide, they are complained. Just minor students that has reading's heart and soul or real their passion. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that reading through is not important, boring along with can't see colorful images on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this Queen & Country: A Hew Cullen

Mystery: Book 5 (A Hew Cullan Mystery) can make you feel more interested to read.
