Reckless

Shannon Drake

Reckless Shannon Drake

From elite London society to the golden sands of Egypt... and the sacred places of the heart...

When Kat Adair plunges into the waves to rescue a drowning man, it is just the beginning of an odyssey that will sweep the fisherman's daughter into danger and desire. Convinced she is in love with the man she saved, Egyptologist David Turnberry, she feigns amnesia, thus enabling her to linger among the highborn. Hunter MacDonald, rugged archaeologist, is wise to her little charade — and determined to protect his best friend.

Undaunted, Kat stows away on the ship carrying David and Hunter's expedition party to the land of the pharaoh. Scandal ensues, and Hunter vows the only way to curtail this confounding woman's schemes is to marry her. Inevitably, in the sultry heat of the desert, passions ignite. But as the secrets of the ancient tombs are revealed, terrible danger unfolds, and Kat must trust the one man willing to risk everything to save her from doom.

From reader reviews:

Jane Hanscom:

Do you have favorite book? If you have, what is your favorite's book? E-book is very important thing for us to understand everything in the world. Each publication has different aim as well as goal; it means that e-book has different type. Some people sense enjoy to spend their the perfect time to read a book. They are really reading whatever they have because their hobby is actually reading a book. How about the person who don't like reading a book? Sometime, man feel need book once they found difficult problem as well as exercise. Well, probably you will require this Reckless.

Cecilia Moore:

In other case, little individuals like to read book Reckless. You can choose the best book if you love reading a book. As long as we know about how is important the book Reckless. You can add expertise and of course you can around the world by just a book. Absolutely right, since from book you can understand everything! From your country until foreign or abroad you may be known. About simple point until wonderful thing it is possible to know that. In this era, we could open a book or perhaps searching by internet unit. It is called e-book. You need to use it when you feel bored to go to the library. Let's study.

Eli Benton:

Playing with family in a very park, coming to see the ocean world or hanging out with close friends is thing that usually you could have done when you have spare time, and then why you don't try issue that really opposite from that. One activity that make you not sense tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of knowledge. Even you love Reckless, you can enjoy both. It is good combination right, you still want to miss it? What kind of hang-out type is it? Oh come on its mind hangout guys. What? Still don't get it, oh come on its named reading friends.

Brett Nash:

Are you kind of stressful person, only have 10 or 15 minute in your time to upgrading your mind proficiency or thinking skill even analytical thinking? Then you are experiencing problem with the book in comparison with can satisfy your short space of time to read it because all of this time you only find publication that need more time to be study. Reckless can be your answer since it can be read by a person who have those short time problems.
