Spiritual Awakening: Channeled Messages from Ascended Masters is a book that contains 38 meaningful spiritual lessons by Ascended Masters Godfre Ray King, Saint Germain, Lord Lanto, and Kuthemi.

Ascended Masters are individuals who were once embodied on Earth and learned the lessons of life during their embodiments. They are enlightened Spiritual Beings who faced the same challenges we face today when they lived on Earth so they understand how hard it can be. They serve as the Teachers of mankind from the Realms of Spirit. The Masters write for those of us beginning the spiritual path and searching for answers. They ask us to read their words with an open mind and heart and feel the truth within them. It is all about individual growth and helping individuals at many different levels of awareness. In this book they talk about the meaning of life in both human and spirit form. They talk truthfully about reality and the puzzle of life. With their chosen role of teacher, they continue to help us awaken to who we really are. These lessons were channeled for us by Dianna Gutoski. Other communications can be found on www.cosmicconversations.com.
