The Conspiracy

Israel Centeno

The Conspiracy Israel Centeno

The Conspiracy was published in 2002, shortly after the alleged coup against Hugo Chávez. The novel was interpreted by Chávez and his revolutionary party as an affront to their myth of origin. They launched a campaign against Israel Centeno that escalated from harassment and threats to violence, ultimately forcing him into exile.

"A rare voice from Venezuela. In this fever dream of a novel shot through with dark humor, Centeno grapples with the fallout from generations of violence and corruption." -Natasha Wimmer, Translator of Roberto Bolaño's *2666*.
