Water Regulations In Brief Ray Tricker

Water Regulations in Brief is a unique reference book, providing all the information needed to comply with the regulations, in an easy to use, full colour format.

Crucially, unlike other titles on this subject, this book doesn't just cover the Water Regulations, it also clearly shows how they link in with the Building Regulations, Water Bylaws and the Wiring Regulations, providing the only available complete reference to the requirements for water fittings and water systems.

Structured in the same logical, time saving way as the author's other bestselling '...in Brief' books, *Water Regulations in Brief* will be a welcome change to anyone tired of wading through complex, jargon heavy publications in search of the information they need to get the job done.
