## **Rush: The Illustrated History** Martin Popoff

Formed in Toronto, Ontario, in 1968 under the heavy influence of British blues, Rush solidified its lineup in 1974 and has gone on to record 18 studio albums (and counting). Notable for bassist/vocalist Geddy Lee's high register, Neil Peart's virtuosic drumming and inventive lyrics, and the guitar heroics of Alex Lifeson, the multiplatinum band melds a diverse range of influences and along the way has amassed a large, notably loyal following worldwide. Rush is bigger than ever before with the hit 2011 documentary *Beyond the Lighted Stage* and this year's new album, *Clockwork Angels*, and tour.

Now, for the first time, Rush is treated to the epic visual celebration they so richly deserve in a beautifully designed and profusely illustrated history following the band's entire career. A chronological overview history written by noted music scribe and Rush authority Martin Popoff spans the band's entire career from 1968 to today. A complete Rush discography chronicles all their albums, from the debut album to *2112*, *Moving Pictures*, and *Signals to Grace Under Pressure*, *Vapor Trails*, and more. The authoritative text is complemented by album reviews written by well-known music journalists from around the globe, commentary from fellow musicians, a discography, and hundreds of photographs and pieces of memorabilia, including picture sleeves, gig posters, rare vinyl, handbills, ticket stubs, and much more.

#### **Patricia Beall:**

Do you have something that you enjoy such as book? The guide lovers usually prefer to decide on book like comic, small story and the biggest an example may be novel. Now, why not attempting Rush: The Illustrated History that give your pleasure preference will be satisfied by means of reading this book. Reading practice all over the world can be said as the opportunity for people to know world far better then how they react towards the world. It can't be stated constantly that reading practice only for the geeky particular person but for all of you who wants to be success person. So , for all of you who want to start looking at as your good habit, you are able to pick Rush: The Illustrated History become your own personal starter.

#### **Joseph Felder:**

As a pupil exactly feel bored to help reading. If their teacher requested them to go to the library in order to make summary for some publication, they are complained. Just tiny students that has reading's internal or real their interest. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that reading through is not important, boring and can't see colorful pics on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this Rush: The Illustrated History can make you truly feel more interested to read.
