Suck It Up Brian Meehl

ARE YOU UP to your neck in bloodsucking vampire stories?

Tired of those tales about dentally enhanced dark lords?

Before I wrote this book I thought all vampires were night-stalking, fangpopping, bloodsucking fiends. Then I met Morning McCobb. He's a vegan vampire who drinks a soy-blood substitute called Blood Lite. He believes staking should be a hate crime. And someday he hopes to march in a Vampire Pride Parade. He was also the first vampire to out himself and try to show people of mortality, like you and me, that vampires are just another minority with special needs. Trust me—this is like no other vampire book you'll ever feed on.

So, as my buddy Morning says, "Pop the lid, and suck it up."

From the Hardcover edition.
