Syracuse University was founded in 1870 as a private, coeducational university in Syracuse, New York. Classes began the following year in temporary quarters until the university moved to its current location on "The Hill" in 1873, occupying the Hall of Languages, which is still the iconic center of SU. Syracuse University provides a photographic journey from the late 1800s to the present, highlighting its growth from a small Methodist college to a university of national importance with more than 20,000 students and over 240,000 living alumni. Always committed to diversity, SU has embraced opportunity--be it with the Syracuse-in-China program in the 1920s, the enrollment of thousands of veterans after World War II, or cofounding the Say Yes to Education scholarship program for urban schools. Championship football, basketball, and lacrosse teams have also brought prestige to SU, and fans around the nation and world "bleed orange" along with those who work, teach, or study at the university.
