## **A Century of Grant MacEwan: Selected Writings** Grant MacEwan

August 12, 2002 would have marked the 100th birthday of one of Western Canada's most beloved, exemplary, idiosyncratic and admired citizens, the Hon. J.W. Grant MacEwan. *A Century of Grant MacEwan: Selected Writings* is published to mark the centenary of the author's birth, and showcases the writing achievements of this remarkable man. From his first foray into historical writing, *The Sodbusters* (1948), to *Watershed: Reflections on Water* (2000), this collection offers a fascinating selection drawn from the nearly fifty books that won him a place in hearts and on bookshelves across the Canadian West.

From perilous Chilcotin–Klondike cattle drives to the creation of a short-lived republic within the boundaries of Manitoba, *A Century of Grant MacEwan* is MacEwan at his finest, preserving little-known or neglected nuggets of the past for future generations to read and remember. Through his writing, MacEwan shows us our history.
