An Honest Life: Faithful and Gay

Geoffrey Hooper

An Honest Life: Faithful and Gay Geoffrey Hooper

An Honest Life is a poignant memoir – much more than a gay coming-out story. With searing honesty the author tries to discover why he first resisted a call to ordination and denied his repressed sexuality. He examines the unconscious defences and cultural pressures which kept him in a heterosexual marriage, and condemns the intolerance and hypocrisy he encountered within the established church, while applauding the support he received from some bishops. The book is enriched by personal stories, contributions from other protagonists, and by the author drawing on a literary reservoir of fellow pilgrims' journeys of faith and evolutionary growth towards integrity over sexual identity. Most movingly, Geoffrey Hooper tells of the joy he personally experienced when 'the love that dare not speak its name' bid him welcome and he did sit and eat.

From reader reviews:

Guadalupe Baxter:

Reading a reserve tends to be new life style in this era globalization. With examining you can get a lot of information that will give you benefit in your life. Together with book everyone in this world can certainly share their idea. Guides can also inspire a lot of people. A lot of author can inspire their reader with their story or their experience. Not only the storyplot that share in the books. But also they write about advantage about something that you need example of this. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that you can get now. The authors nowadays always try to improve their talent in writing, they also doing some analysis before they write to their book. One of them is this An Honest Life: Faithful and Gay.

Crystal Freeman:

Many people spending their period by playing outside along with friends, fun activity along with family or just watching TV 24 hours a day. You can have new activity to shell out your whole day by reading through a book. Ugh, you think reading a book will surely hard because you have to accept the book everywhere? It fine you can have the e-book, getting everywhere you want in your Mobile phone. Like An Honest Life: Faithful and Gay which is keeping the e-book version. So , why not try out this book? Let's observe.

Francine Nott:

Is it an individual who having spare time after that spend it whole day by means of watching television programs or just resting on the bed? Do you need something totally new? This An Honest Life: Faithful and Gay can be the answer, oh how comes? A book you know. You are so out of date, spending your time by reading in this completely new era is common not a geek activity. So what these textbooks have than the others?

Shannon Bland:

Some individuals said that they feel weary when they reading a reserve. They are directly felt it when they get a half areas of the book. You can choose often the book An Honest Life: Faithful and Gay to make your reading is interesting. Your current skill of reading skill is developing when you like reading. Try to choose straightforward book to make you enjoy to learn it and mingle the idea about book and reading especially. It is to be initial opinion for you to like to wide open a book and go through it. Beside that the reserve An Honest Life: Faithful and Gay can to be your brand-new friend when you're feel alone and confuse in what must you're doing of their time.
