Channel of the Grail: A Novel of Cathars, Templars, and a Nazi Grail Hunter Victor E. Smith
Even death cannot stop two hearts that beat as one.

In May 1939, German newspapers announced the untimely death of 35-year-old author Otto Rahn, applauding him as "comrade, decent SS-man and creator of outstanding historical-scholarly works." But his Swiss lover Raymond knew that Otto had neither died accidentally nor as a member of the infamous SS.

Before the Nazis, Rahn had researched the medieval French Cathars, a heretical sect exterminated by war and the Inquisition, and he published his account of this tragedy as *Crusade against the Grail*. His book fascinated Reichsführer-SS Heinrich Himmler, an occult fanatic, who then enticed Otto into the SS as a historical researcher. Gambling that Otto's psychic talents might lead to the recovery of the coveted Holy Grail for the Nazis, Himmler coddled the writer, even condoning his illegal homosexuality. Then Rahn came to discover that the SS and its operations were far from benign.

After Otto's demise, Raymond knew that his partner's work deserved recognition, but as a genuine Grail bearer and not as a member of the SS. To do this, Raymond had to recover his own unique gift: a phenomenal memory that took him back to the Cathar era where the men's mutual mission, which could only be carried out with them riding two to a horse in the way of the Knights Templar, was first entrusted to them.

Channel of the Grail is a visionary novel, historically based on the medieval Cathar persecutions and the 20th century life and times of Otto Rahn.

Jordan Miller:

Reading a book to become new life style in this calendar year; every people loves to go through a book. When you study a book you can get a lots of benefit. When you read guides, you can improve your knowledge, mainly because book has a lot of information into it. The information that you will get depend on what types of book that you have read. If you would like get information about your study, you can read education books, but if you act like you want to entertain yourself look for a fiction books, these us novel, comics, as well as soon. The Channel of the Grail: A Novel of Cathars, Templars, and a Nazi Grail Hunter will give you new experience in studying a book.

Willie McCall:

As a scholar exactly feel bored to be able to reading. If their teacher questioned them to go to the library or even make summary for some e-book, they are complained. Just small students that has reading's internal or real their passion. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading seriously. Any students feel that examining is not important, boring and also can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important to suit your needs.

As we know that on this era, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this Channel of the Grail: A Novel of Cathars, Templars, and a Nazi Grail Hunter can make you truly feel more interested to read.
