Love Bomb: A Novel Lisa Zeidner

An inventive, mordantly funny novel about love, marriage, stalkers, and the indignities of parenthood

In quaint Haddonfield, New Jersey, Tess is about to marry Gabe in her childhood home. Her mother, Helen, is in a panic about the guests, who include warring exes, crying babies, jealous girlfriends, and too many psychiatrists. But the most difficult guest was never on the list at all: a woman in a wedding dress and a gas mask, armed with a rifle, a bomb trigger strapped to her arm.

Lisa Zeidner's audacious novel *Love Bomb* begins as a hostage drama and blossoms into a far-reaching tale about the infinite varieties of passion and heartbreak.

Who has offended this nutcase, and how? Does she seek revenge against the twice-divorced philanderer? Or is her agenda political—against the army general? Or the polygamous Muslim from Mali? While the warm, wise Helen attempts to bond with the masked woman and control the hysteria, the hostages begin to untangle what connects them to one another, and to their captor. But not until the SWAT team arrives does "the terrorist of love" unveil her real motives . . .

Critics have praised Lisa Zeidner's prose for its "unforced edginess and power"; her fiction "shines with humor, wisdom, and poignancy." In her most masterful novel yet, Zeidner gives us a tough yet tender social comedy, a romance with guts, a serious frolic written out of deep affection for all that it skewers.
