Can dandelion and her raptor friends save Sword mountain?

Nancy Yi Fan, the *New York Times* bestselling author of *Swordbird*, is back with her richly imagined fantasy bird world.

On her sky-born day, Dandelion is injured and separated from her parents. The exiled musician prince, Fleydur, comes to her rescue and brings her to the Castle of Sky. But the court life of the golden eagles is still dominated by rigid traditions and intrigue, and now a new threat is looming. As flying, swordplay, and music enter her life, Dandelion will have the chance to show that a valley eaglet can be a true princess and a heroine, too. Bravery, equality, and the gift of music triumph over all.
